Cliff,

I attach a redline of the draft tolling agreement. In addition to the "Albany Metals" reference we discussed earlier, Bob and I have two additional changes. The term "Tolled Claims" was not defined, so I have proposed a definition for it. I added a new paragraph 5 to confirm that this tolling agreement will have no effect on the two prior consent decrees under which much of UPRR's liability for the Basin was resolved. Please let me know if you have any comments. If not, I will send it to UPRR for final review and approval. Thanks.
